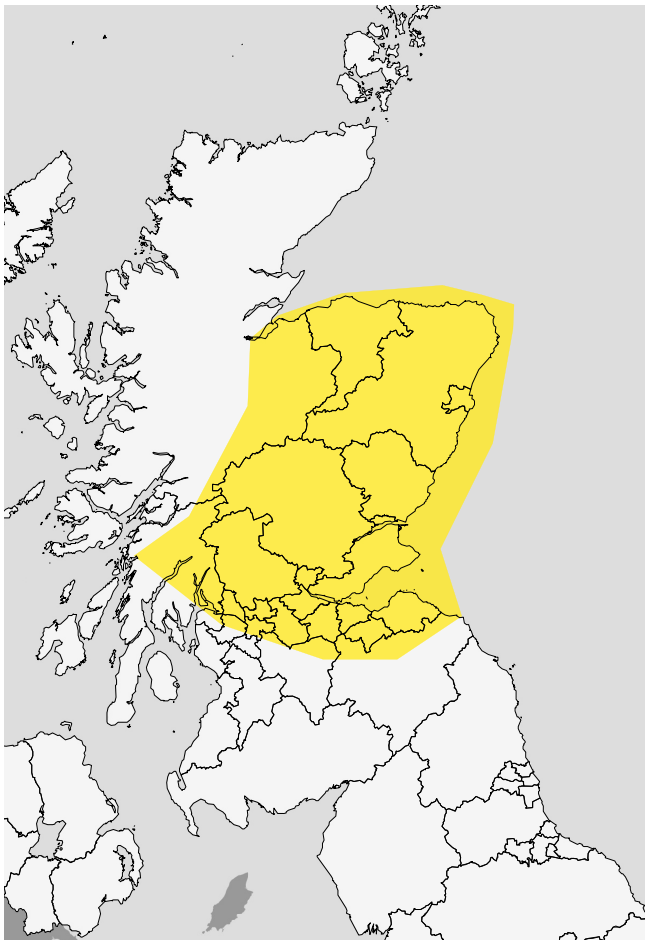
Yellow warning
Thunderstorm

Between
16:00 Tue 6 Sep 2022 and
23:00 Tue 6 Sep 2022



Areas of rain and thunderstorms may bring some disruption to parts of Scotland

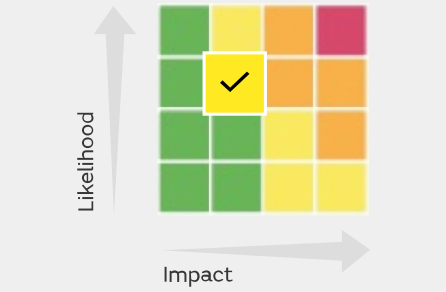
What to expect

- There is a good chance driving conditions will be affected by spray, standing water and/or hail, leading to longer journey times by car and bus
- Delays to train services are possible
- Some short term loss of power and other services is likely
- Chance of some damage to a few buildings and structures from lightning strikes
- Some flooding of a few homes and businesses likely, leading to some damage to buildings or structures

Further details

Bands of heavy rain and thunderstorms are likely to move northwards across Scotland through Tuesday afternoon and evening. These may bring 20 to 25 mm in an hour and perhaps 40 to 60 mm in 3-4 hours in one or two places, mainly in the east. Lightning and hail may be additional hazards.

Rain and thunderstorms are expected to move northwards overnight then ease and clear early on Wednesday morning.



Medium likelihood of low impacts

Issued at 15:15 Tue 6 Sep, 2022
